

Live in Downtown Decatur? Join us now !

We are a group of neighbors, living downtown, who first met in November 2014 and determined a need for an unique organization to represent downtown residents.

Recognizing that by the end of 2015 fully 25 percent of all Decatur residents will live in the downtown area, primarily in condos and apartments: we created the Downtown Decatur Neighbors.

Interested in joining us? Please attend our short bi-monthly meetings which happen on the second Wednesday of each odd-numbered month at the Decatur Recreation Center on Sycamore. Ave. Meetings start at 7:00 pm.
