

MAKE AN IMPACT ! BE HEARD !

ATTEND DECATUR'S PUBLIC 'COMPREHENSIVE PLAN' MEETINGS

Downtown Decatur needs a master plan, like the one they have for East Decatur Station. And it **desperately needs more parks and plazas**. Developers are building more condos and apartments – bringing thousands of new residents. What little greenspace exists is disappearing. If we do not act soon, it will be too late. We need your support. Attend the meetings to tell the City that Downtown Decatur needs a master plan and a new downtown park - and the park needs to happen NOW!!
