New Downtown Park Needs Your Support!

3. COPY AND PASTE (and edit or not as you please) THE EMAIL TEXT:

Downtown Decatur desperately needs more parks and plazas. Adequate parks are essential to a great quality of life for Downtown residents and visitors, and there are not nearly enough of them. What little greenspace we have is disappearing – being replaced by hotels, condos and apartments – and thousands of new residents. Without new parks, the Downtown experience and character will suffer.

If you do not act soon, it will be too late. I urge you to prioritize the creation of a new one-acre downtown park and to make it happen as soon as possible. No other initiative is so time sensitive and so in need of your leadership.

Thank you for helping Decatur achieve its vision of “assuring a high quality of life for its residents, businesses and visitors both today and in the future.”
